

EXPRESSION OF INTEREST FOR SUPPLY OF PALLETING MACHINE FOR ECHO NETWORK AFRICA (ENA)

Date: 13th August 2024

INTRODUCTION

Echo Network Africa Foundation (ENAF) is a Pan-African philanthropic institution that works with like-minded stakeholders to empower, position, and advocate for girls and women in Africa. Founded in 1982 as Kenya Women Holdings (KWH) and later re-branded in 2018 to Echo Network Africa (ENA), the vision of ENAF is an inclusive society where girls and women enjoy full rights and participate in the life of the society. ENAF intentionally focuses interventions on girls and women with special attention to young women, women with disabilities, and women from marginalized communities.

In its 2023-2027 Strategic Plan, ENAF articulates a retention, growth, and expansion strategy aimed at replicating and scaling program initiatives from Kenya to other countries in Africa. In addition to the decision made by the Board of Directors in 2024 to re-brand ENA to ENAF, the first Country Office was incorporated in Kenya taking over implementation of program initiatives formally undertaken by ENAF. ENAF, known simply as The Foundation, is therefore solely responsible for resource mobilization and management as well as Coordination of Country Offices and Associates while Country Offices including the Kenya Country Office are responsible for program Implementation. ENAF has retained the catalyzing approach whose core is to work with Local Implementing Partners (LIPs) to maximize impact and accelerate the attainment of results.

ITEM NO	ITEM	SPECIFICATIONS	QUANTITY
1	Pelleting Machine	Model: Dry Type Fish Feed Extruder Power: 75 kw Feeding Power:1.5 Cutting Power:2.2 kw Size: 3750 * 1980 * Capacity: 800-1000kg/h Machine Weight: 2500kg	1
